## *A Study in Contrast by Megan Legas*

April 21 9-1 Provo \$30

As much as we have in common as quilters, it is our differences that make us interesting. So it is in a quilt! As nicely as the fabrics blend, it is the contrast that tells the story.

This class is a hands-on experience with CONTRAST. Using values in one color range, you will play with the fabrics in 12" Rising Star Blocks to see how each has a role in telling the story. This story often has a surprise ending! The class experience gives you "AHA" moments that will influence fabric choices in all of your future projects. Learning is SO FUN!!

Sign ups for class happening now-limited space available

Note: I do not use the #71 Foot for my bernina. Instead, I use my quarter-inch foot to sew the binding to the WRONG side of the quilt. When sewing with the quarter-inch foot, I sew a slightly wider seam then the quarter inch on the first side.

Then I use my Hemstitcher foot (#10 on Berninas) to sew the binding on the right side. I move the needle two spaces over and get a perfectly even seam for my binding.

(I learned how to make perfectly mitered binding corners with this video!) No more rounded corners!

## • *Utah Valley Quilt Guild 2022 Challenge Quilt*

- By Karin Crawford, President-Elect

Do you know that 2022 is the 45th year the Utah Quilt Guild has been in existence? It was chartered in 1977. So thinking of 5 years ago when we did the Ruby Jubilee, I thought we should do a Sapphire Celebration for 2022. So here goes:

- Blue and white and/or Blue and Cream – no other colors allowed
- Quilts will have 3 layers – top, batting, backing.
- Any size allowed from 12 inches to 108 inches per side.
- Quilt must be completed IN 2022 by the November UVQG meeting (the third week). Earlier completed Blue and White Quilts not allowed.
- A definition of completion is: bound and label attached.
- Please email Karin at [KarinCrawford@gmail.com](mailto:KarinCrawford@gmail.com) for any questions.

# Service Project Day

## *Miniature Quilts! by the SAQA*

# *Serving Success!*

Our March service meeting was so fantastic!

At least forty-two members attended at least part of the meeting. Items were completed and we moved many projects along. My sincere thanks to all those who helped out that day, every little bit shows our love to the community.

Stuff we did:

Bears: 12 completed, 30 with faces sewn on ready to stuff, 35 still need faces, but they are turned inside out and ready to sew the face on

78 Minkee balls sewn and ready to stuff and 25 completed and donated to Lifting Hands

25 previously finished quilt tops matched with backings and batting ready to deliver to quilters

18 previously quilted small quilts matched with fabric for binding and binding was cut

5 baby sized flannel quilt tops completed

12 baby quilts enveloped and marked, ready for tying

13 baby quilts almost finished, still need edge stitching and marking

17 prizes awarded to those participating

Over 30 finished quilts were turned in and displayed. These were made by guild members and are now ready to donate

***2022 Fall Retreat, Zermatt Hotel, Midway, Utah***  
***UVQG Retreat -November 1-5, 2022***  
***“These are a few of My Favorite Things”***

It is that time again quilters, time to register for the fall retreat at the Zermatt in Midway. If you would like to attend, you need to fill out the registration form and return it to Trish Derrick with a \$75 Non-Refundable deposit. Make check payable to UVQG.

Registration will begin April 1, 2022 and is on a first come, first serve basis for all current members. The cost that you are paying includes three nights lodging, and three lunches and dinners on Wednesday, Thursday and Friday. There are microwaves and small fridges in each room, in addition to an onsite bakery and restaurant. The cost of the retreat also includes set-up fees, extra power boxes, small gifts for all, gratuities, etc. Some have asked if they stayed or ate elsewhere would the price be any different. Sorry, the price is the same for everyone.

You are welcome to come Tuesday afternoon and get an early start on your sewing. You will be responsible for Tuesday night's hotel stay, at the same rate we are being charged, \$119.00 plus tax. Last year more than half of those who registered came early. The retreat officially starts Wednesday morning at 10 am and ends at 3 pm on Saturday. If you would like to stay an additional night or two, the same rate will apply. We will make reservations for arrival dates, but if you choose to stay later, you will need to let the hotel know when you check in. If you come Tuesday, please come after the check in time of 3pm.

Before you register, make sure that your membership is up to date, as only current members can register. Your membership must stay current, throughout the retreat. You can mail your membership dues with your registration but make out a separate check for registration along with the membership form. The cost of the retreat is on the registration form. Since the Zermatt does not have enough two queen bedrooms for all of us, if two to a room, are you willing to you share a king bed? If so, please mark it on the registration form. This will help so that all of us can stay in the main hotel.

We are hoping that all will want to participate in the secret sister event this year. The Secret Sister questionnaire is forth coming. A friendly reminder, no babies or small children. Everyone who attends must pay the registration fee. The balance for your retreat is due by August 12, 2022.

If you have questions, please call, text, or email me.

# *International Quilt Festival*

*From the UTAH QUILT GUILD*

We are very excited about bringing International Quilt Festival to the Salt Palace Convention Center this July 21-23! In addition to shopping and classes, we'll have hundreds of quilts on display in our special exhibits area. Four of those exhibits might be of particular interest to you since they focus on Utah.

Utah History and Heritage is open to anyone who has a quilt that features any aspect of Utah.

Utah United- is open to any guild member of a guild in the state of Utah

Utah Quilt Guild is open to member of this guild

Salt Lake City chapter of the Modern Quilt Guild (to which some of your members may also belong) will also have its own exhibit.

And finally, there's A Celebration of Color – open to all – with cash prize money!

This deadline is April 14.

Link below:

<https://mailchi.mp/quilts.com/salt-lake-city-calls-for-entry>

The deadline for entry to all the Utah exhibits is April 21, and all the details are at the link below. Quilters are welcome to enter more than one of these exhibits. Would you consider sharing this information with your members? We definitely want Utah quilters and their work represented on this singular opportunity for people from all over the country to see your home-grown art.

# Block of the Month

We have a special surprise for you this year. We will be offering a free Block-of-the Month Quilt. There will be two versions of this quilt. One with the pieced border (105" square, King size) and one without the pieced border (80" square). This is a patriotic theme quilt called "America". It looks difficult until you break it down into monthly segments. Paper-pieced and rotary cut. You do not have to do this quilt. It is for your enjoyment only.

**Rules:** Each month there will be a link for you to download. The segment will only be available during that month. All requests for back issues will be ignored. Once the entire quilt is completed, it will become a for sale item in my Etsy Store under LadybugLines. This is offered free of charge to the members of UVQG. Please do NOT share with anyone outside of our group. Copyrighted by Terrie Peterson & Ladybug Lines. Please note: This is NOT the challenge quilt for 2022.

Bell Simplified

At the right, is the "blow-apart of this block. It is NOT to scale and can not be used for the paper-piecing. The actual file can be found here: [https://64616baf-db4b-4149-a304-9e5949eca084.filesusr.com/ugd/603280\\_5df3e3b4be034210a8a48c8fd234a9a4.pdf](https://64616baf-db4b-4149-a304-9e5949eca084.filesusr.com/ugd/603280_5df3e3b4be034210a8a48c8fd234a9a4.pdf)

Note, I can not provide a hyperlink for this pattern in this program. You must copy and paste it to your web browser. EQ prints the Seam allowance. If it seems slightly larger, just cut it off. Or choose to leave it, it will fit.
