President's Message

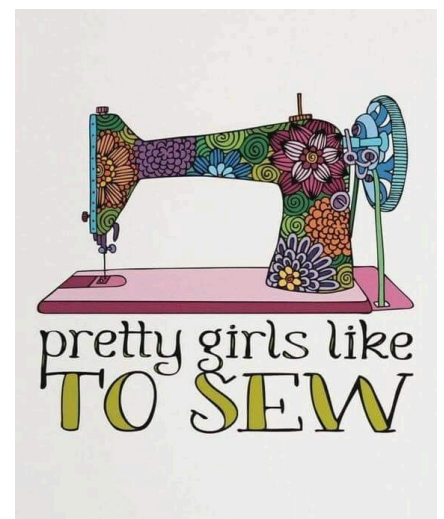

Happy Summer Quilting friends! As we plan our family trips and travel to parks and reunions, it reminds me of smores, campfires and raffle quilts. I love the traditions as we gather and share and eat our favorite summer food while sharing time with our family.

During the summertime it's a great time for sharing the love of quilting and other hand crafting hobbies. It was summer when I learned how to crochet, knit and quilt. My grandmother taught me how through her love of these crafts. I love gathering my grandkids and getting paper, crayons, colored makers and glue and seeing what we can make with them. Some of my older granddaughters are learning to sew and make quilts and pillowcases along with pajama pants.

Oh, what will you share or teach this summer?

Happy Sewing,

Machelle Preston

## Trunk Show

By: Debbie Speckman

I have three daughters and all three of them live here. So, the bonus is I have 15 grandchildren that live here too. I grew up sewing. My mother taught me and my sister, and we made most of our clothes. I absolutely loved going to a fabric store. It just made me so happy to see and feel all the beautiful fabrics. I have a heritage of quilters. Both of my grandmother's quilted. I have a Cousin Diana McClun, who is a pretty famous quilter. I attempted my first quilt when my oldest daughter was a baby. It was a time when you had to cut out all the squares of fabric piece by piece and I hated it. I didn't finish that quilt until she turned 16. Then we moved to Southern California, and I worked at Fat Quarters Quilt Shop in Vista California for almost 20 years and that's when my true love of quilting began and I was influenced by some fabulous quilters down there. I just love quilting now. I must do it every single day. And I look forward to continuing this for many years to come. I've given a lot of quilts away. I have many quilts. And I'm excited to share them with others.

## Jelly Roll Race Results

Our second annual Jelly Roll Race was held Saturday, May 3 in conjunction with the Kentucky Derby. The race began at 11:30 and by 12:06 we had our first completed top. Thirty-Six minutes was the time to beat.

Winners

First Place

Missy Flint

Second place

Lorri Cummings

Third place

Deanne DeWitt

Thanks to Stitching Hearts for the donation of some of the jelly rolls used. We made 5 tops for them with the rolls they provided. We wet our whistles with Mint Julep Mocktails and got a sugar rush from the Derby pie.

## Kentucky Derby Pie (Authentic Recipe)

You don't need a horse race to make this Kentucky Derby pie!

This sweet treat is part pecan pie, part chocolate chip cookie, and full of perfection!

### Ingredients

- 1 (9-inch) pastry pie crust
- 1 cup light corn syrup
- 1 cup granulated sugar
- 4 eggs
- 1 1/4 cups chocolate chips
- 1 cup chopped pecans
- 1/2 cup butter, melted
- 2 tablespoons bourbon, optional
- 1 teaspoon vanilla extract

### Instructions:

Preheat the oven to 350 degrees Fahrenheit. Press the pastry pie crust firmly into a 9-inch pie plate. In a large bowl, beat the corn syrup, sugar, and eggs with an electric mixer at medium speed until well combined. Gently mix in the chocolate chips, pecans, melted butter, bourbon (if using), and vanilla. Pour the pie filling into the prepared crust. Bake for 45 to 50 minutes, or until the filling has set. Cool it completely on a wire rack before slicing. Serve it warm or chilled with ice cream or whipped cream. Enjoy!
