President's Message by Elise Larsen UVQG President

Dear UVQG,

We are so grateful to our two program chairs for making this year interesting, fun and skill building: Crystal North and Jacque Thompson. We want to be sure our presenters have adequate time at our meetings and we want to give our members time for show and tell so **we are reducing announcements drastically**. If you need to inform the members of upcoming events or service projects, please print your announcement on paper, about 100 copies, and come early to set the announcements on the chairs. There are always lots of people willing to help with chairs and adding paper to them. Our members have mentioned to me that they would like to have a paper to take home and study at their leisure.

If you have a display you want to use to inform members, please choose a table in the back and come early and welcome people to look at your display.

Also, our microphone should be working well in June! We are grateful to the Orem Senior Center for hosting us each month and appreciate them. A service appointment was in place after our meeting; we just missed it by a few days.

A big thank you goes to Caisa Hess and Jeanee Stewart for working on our computer issues and membership lists so that you can get your Patchwords email.

Please, please read Patchwords so you can be informed about our guild!

As always, happy sewing!
Elise Larsen, UVQG President

June Program

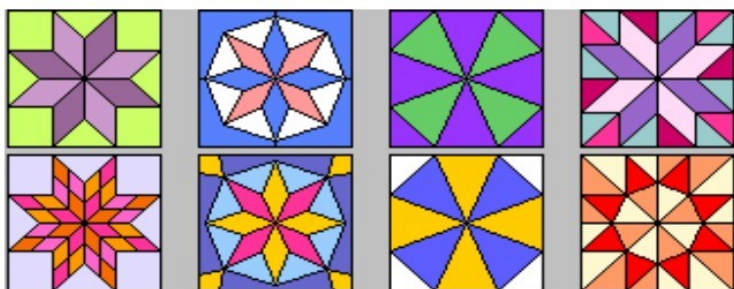

“What I found in my closet when I was looking for something else....”

We all have so many unfinished projects that need to receive life - or ideas that are bobbing around in our heads like little boats needing to find a harbor. Or we ask ourselves *“What would happen if I did THIS to this pattern?”* What have I found in MY closet? What interesting things came from stepping INTO the box - the box of stuff I have tucked away?

Our Favorite tip and short cut teacher, Bonnie Miles, is coming back from St. George to share with us creative ideas we can do with all those projects and fabrics we have placed into our quilting closets.

For those who are new, a little about Bonnie:

- Wife to one – mother to five – grandmother to 18 – great grannie to 18..... and counting
- Have loved to sew all my life – and started when I was about age 10, thanks to a Home Ec teacher Mom and 4-H.
- Grew up in southern Utah, STILL CALL BRYCE CANYON HOME -and back in southern Utah.
- Serious quilter since the early 1980's.
- Served on the Utah State Quilt Guild board for a number of years.
- Served with the Utah Valley Guild board for a number of years. Now serving my 3rd year on the Dixie Quilt Guild Board.
- Taught quilting extensively throughout Utah – and operated and taught at the Winter Quilt Retreat at Ruby's Inn / Bryce Canyon for 25 years - and still teach at the Retreat.
- Own and operate American Heritage Tours – taking history and heritage tours since 1990. Combined history and quilting tours for many years – with a favorite spot being Lancaster County, Pennsylvania.
- In addition to quilting, I love traveling, reading, gardening – and my family !!!

Remember our special tips:

Davidene Zimmerman - tool tip

July Quilt Fair
July 17
Noah's Reception Center, Lindon

Plan to join us at beautiful Noah's Reception Center in Lindon on July 17, from 9am to 3pm..

We are getting so excited for the July Fair!
Circle Wednesday July 17th on your calendar. Doors open at 9:30 and the last classes end at 3:00. It will be held again at Noah's Event Center. The address is 1976 W. 700 No. Lindon. Our classes start at 10:00. The schedule is full of great classes and teachers. Next months Patchwords will have the list. Warning – It's going to be hard to choose!
Plan on spending plenty of time shopping with the vendors. We will have even more than last year.

Our wonderful garage sale committee is working hard and waiting for more of your donations. You can bring them to our UVQG June meeting. If you can't come to the meeting, please bring them that day.

There is still plenty of time for you or your quilting groups to put together something for the silent auction. We love seeing how creative you are. Thanks in advance for your generosity in supporting the auction in any way.

As always, there will be a yummy bake sale. Please bring your baked goods to the kitchen. As we all know, quilters are the best cooks!

We will have several food trucks there for lunch.

Please CARPOOL! We learned last year that there isn't a lot of parking.

I can't think of a better way to the day than with my quilty friends doing quilty things.

Hope to see you (and your friends) there!

Springville Museum of Art Quilt Show Updates

By Maureen Tuttle

WE CAN'T DO IT WITHOUT YOU!

TRUNK SHOWS - There will be just one evening of trunk shows this year in conjunction with the Springville Quilt Show. This will be held Wednesday, July 31 st from 6:00 – 8:00 p.m. at the Springville Museum of Art. There will be 3 presenters, and we are in need of MANY volunteers to help that evening to move and hold quilts. If you can help for even one trunk show (1/2 hour), then you can enjoy the other trunk shows from the audience. Or if you work with a youth group that needs service hours, we would love to involve them. Please contact Maureen Tuttle, 801-592-1920, queentut1@comcast.net.

QUILT SHOW SET-UP AND TAKE-DOWN - We also need volunteers to help hang the quilts (no climbing on ladders and the museum provides a pizza lunch) July 22nd from 9am to 3pm or any part of that day you can help, and to take down quilts on Sept. 23 rd from approx.. 10am to 12pm. Again, please contact Maureen if you are willing to help.

AWARDS - The Opening Reception and Awards will be Saturday, July 27 th from 11am to 12pm, and everyone is invited, no volunteers needed this day.

Quilting friends, many hands make light work, and this amazing quilt show needs many hands to make it happen. PLEASE do your part as a guild member if you are able. We need YOU!

Thoughts from **Rob Appell**. You can find his sewing videos by searching his name on YouTube. His new channel is called “Making It Fun”, and the older videos are “Man Sewing”.

- Always thread your machine with the presser foot up because it opens up your tension.
- It only takes 1 square inch from your stash to make your quilt a stash buster quilt. ☺
- Be humble about your flaws. (No need to point out those mistakes in your quilts.)
- You're doing a good job. But why not do a better job enjoying the good job you're doing.

Show and Tell Notes for May by Reva Beth Russell

Leslie Randle "Autumn"

The pattern for her lovely quilt is by Jackie Robinson in her book Tessellations. "I made this for my sister-in-law who loves fall colors. I made it a few years ago and finally quilted it."

Lucinda Dequatro "Star Log Cabin"

This lovely log cabin quilt pattern is in tan and green with sunflowers in the corners. All cabins need sunflowers.

Thank you to all of the guild members who helped Benjamin Crane with his Eagle Scout service project providing blankets for still born babies born at the Santaquin hospital. Here are some of the members who participated.
